

2021 Mercy Health Clinic 18th Annual Golf Classic Sponsorship Opportunities

Mercy Health Clinic is a nonprofit, non-sectarian, community healthcare provider. The Clinic serves as a safety net for more than 2,000 low-income, medically-underserved adult residents of Montgomery County, Maryland annually. We are committed to providing high quality medical care, health education and medications **free of charge** to eligible patients.

The Clinic relies on the dedication of 45 volunteer doctors providing primary and specialty medical care, 65 non-medical volunteers as well as some paid personnel. To assure consistent and high quality services, the Clinic seeks the support of local government, strategic partners, and individual contributors to fund on-going operations and future programs.

Mercy is delighted to host its 18th Annual Golf Classic, an 18-hole tournament with special contests and great food and beverage. The day's activities will run from mid-morning into the early evening with lunch, player gift, prizes and awards.

You are invited to become one of our sponsors and support community healthcare!
